

# NATIONAL SANCTITY OF HUMAN LIFE SUNDAY

---

## HISTORY

This January marks the 40th commemoration of the National Sanctity of Human Life Day. Ronald Reagan designated January 22nd, 1984 as the first National SoHL Sunday, observing that it was the 11th anniversary of Roe v. Wade, the Supreme Court ruling that made abortion legal in all 50 states. For 40 years churches and various institutions around our country have taken time in January to remember the lives lost through abortion and euthanasia, and to pray for all the lives altered through these decisions.

## PRAYER

Pray for an end to abortion and euthanasia- pray for our leaders, our legislation, and our nation as we navigate how to truly defend life and bring dignity to all.

Pray for those who have made life-ending decisions- pray that they would experience the forgiveness and healing that is available only at the feet of Jesus.

Pray for our young people- pray that they will be taught that all life is sacred and worth fighting for.

Pray for our churches and those who work in life-affirming spaces- pray that their needs would be met, that their days would be inspired by the Holy Spirit, and that lives would be forever altered and changed through the work they do.
